In order to make our students excellent and competent '*finished products*' VIC Team (Value Instruction Course) will organize Guest Lectures for II year Degree students. There will be exclusive sessions for second year degree girls and boys by experts. VIC Team seriously considered the necessity of making the students role models in the society along with their academic achievements. It will organize 'Social Outreach Programme' (SOP) to make the students sensitized on the life of economically and socially backward section of the society through visits to various NGOs.

5. Extension Programmes

Extension is an integral part of teaching and learning. The College always provides thrust on community development programmes. All extension programmes of the College are organized under one umbrella called 'Jayantian Extension Services' (JES). Center for Social Activities(CSA) is one of the organs of JES which plans the following programmes during the academic year :

JAGRUTHI

Jagruthi is an orientation program which attempts to expose Student volunteers to the present scenario of child labourers, children in villages, the urban and rural poor, women who face social injustice and environmental concern. Every Saturday afternoon the volunteers will be given an opportunity to interact with NGOs, which makes them to reflect on these issues with special focus on what students could do to improve their situation. The students will make presentations in creative and enjoyable ways through dramas, street plays, painting and collages. As a result of this interaction, the ideas of service through sacrifice emerge in the hearts of students.

VIKAS KENDRA

Vikas Kendra is tuition program for educationally backward students. Vikas Kendra programmes will be conducted nearby village government schools between 4.30 pm to 6.00 pm. Their tuition classes will help the school children to perform effectively in their academics. The tuition classes will be handled by student volunteers in a planned and systemized manner in order to increase the effectiveness of learning. The subjects include English, Maths and Science which will be taught through this programme.

Bhavishyajyothi – Children Education Sponsorship Programme

Children from economically poor families will be supported for their education (upto 10th grade) by providing the basic educational needs. CSA Staff coordinator along with Core committee CSA volunteers conduct survey of nearby village schools and nearby areas. The sponsorship amount per children per year will be Rs. 3000 and the amount will be generated from the voluntary contributions from the Students in the college.

Our Quality Assurance System Beyond National Boundaries

(INQAAHE Conference 2011 : Madrid, Spain)

Quality in higher education ensures students achieve their goals and thereby satisfies the needs of society and help in national development. The foundation for sustainable improvement is the professionalization of Internal Quality Assurance System (IQAS). Indeed effective internal quality assurance system enhances quality of the institution and produces quality manpower with social concern. Our Institution has many landmarks within eleven years of its existence because of its professionalization and systematization of IQAS with its vital focus on moulding individuals into integrated personalities.

Our IQAS was presented through a joint paper on ‘Systematization of Internal Quality Assurance Mechanism - Kristu Jayanti College (Bangalore, India) Experiences : A Case Study’ by Fr. Josekutty P.D., (Former Principal) & Prof. Aloysius Edward J., IQAC Coordinator in Biannual INQAAHE (International Quality Assurance Agencies in Higher Education) Conference 2011 entitled ‘Quality Assurance : Foundation for the Future’ under the sub theme of the Conference ‘Professionalization of Quality Assurance’. The Conference had 4 sub-themes, 56 paper presentations including our paper and 12 keynote sessions. The Conference dealt with the main issues and trends related to the problems of higher education in a context of unstoppable globalization. Issues such as standards, the IQAS, the agency’s external evaluations and the rankings were discussed. The Conference was held in **Madrid, Spain** during April 04-07, 2011 with the participation of nearly 400 delegates representing 70 countries. **Our**

college and NAAC were the only two institutions represented from India. Many delegates got impressed with our IQAS especially people from Armenia, Oman, Scotland, Ethiopia and Philippines. The abstract of the paper was published in the Proceedings of the Conference.
