PART A

Plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement

Annual Strategic Plan Meet (ASPM)

Since the inception of the college in 1999 it is a tradition that all the faculty members of various departments are taken to different environment outside the college premises to plan out various curricular, co-curricular and extra curricular activities of the college and have an expert addresses the teaching fraternity.

To keep the tradition of the college ASPM was held on July 08, 2010 at Ramee Guestline Hotels & Resorts, Hosur road, Anekal with an expert talk on 'A Perspective for Changing Times' by Shri. Srikantan Murthy, Head, Education & Research, Infosys Ltd., Bangalore. This was followed by department-wise planning session for the coming year and presentation of plans by the departments.

IQAC has collated the plan of actions chalked out by the departments during ASPM and the same is furnished below:

1. Seminars and Conferences

The departments incorporate different methods of teaching to suit the diverse interests and needs of the students besides lecture method. The class room learning is complemented by seminars, conferences, workshops and exhibitions. The following seminars were scheduled by the College and Departments during the year 2010-11.

- a. NAAC Sponsored National Conference on 'Role of IQAC Quality Management in Higher Education' during November, 2010.
- Global Conference on 'Excellence in Management Practices' by Department of Management Studies, during April 2011
- c. National Conference on 'Plant Diversity : Prospects & Problems of Conservation' by Life Sciences Department during October 2010
- d. Health Expo & Workshop on 'Waste Management' during February 2011 by Life Sciences Department
- e. National level Essay Competition on 'Green India' during September 2010 by Life Sciences Department
- f. Intercollegiate Seminar on 'Beggary in India Causes and Measures: Social Work Perspective' by MSW Department during December 2010.

g. National Level Seminar on 'Current Trends in Advanced Computing – CTAC' during March 2011.

2. Initiative of improving the Attendance

The College strongly believes that there is positive correlation between academic performance and attendance of students. 'Fortnightly Attendance Report of Special Students'(FARSS) is to be initiated during the year to improve the attendance of students who have not performed well last year. Under this initiative Panel of Teachers of each department will counsel students individually who have not performed well last year. All the Class Animators (Class Teachers) will report the performance of such students to IQAC fortnightly in the prescribed format. IQAC will monitor such students regularly and thereby performance may be enhanced.

3. Students interaction with Indian Visionaries

The curricular, co-curricular and extra curricular activities of the College radiate the theme chosen every academic year. The theme of the academic year 2010-11 is 'Exploring new Horizons'. 'Vichaarmanthan' is the event which will be organized to reflect the current year theme. Indian stalwarts in the field of Public Administration, Arts, Education, Space etc and eminent entrepreneurs will be invited to share their experiences with the students.

4. New Academic Programmes

At present the College has 14 undergraduate programmes, 8 postgraduate programmes, 3 PG diplomas and one research programmes in Social Work. The College plans to introduce the following Academic programmes:

- B.S. (4 year Integrated Science Programme)
- Research Programme in Biotechnology

5. Value Added Courses & Certificate Courses

The following Value Added Courses are planned to be offered by the Departments

Department	Course
Commerce	1. Certificate Course on Tally
	2. Advanced Course on SPSS (for PG Students)

Department	Course
Humanities	1. Kannada Course for Teachers
	2. Airline and Airport Management
	3. Counseling Course
	4. Page making and Designing
	5. Photography
Life Sciences	1. Essentials of Bio Informatics
	2. Clinical Laboratory Technology
	3. Research Methodology (for IV Sem M.Sc. Students)
Humanities	 Executive Communication
	2. Insurance Management
	3. Retail Management (Marketing specialization)
	4. Mutual Fund Management (Finance specialization)
Department of	Writing Skills and Decision Making
Management	2. Data Analysis for Management Research
Studies	3. Managing Knowledge Workers
Studies	4. Investment Banking
Computer	Embedded Systems
Science (both	2. J2EE
Undergraduate	3Net
and Post	4. PCB Design C with Graphics
graduate)	5. Web Designing

6. Professional Value added courses

The College is an accreditation center by Institute of Chartered Accountancy of India (ICAI) and Institute of Company Secretaryship of India (ICSI) and offers foundation courses of both the Institutes. During this year the College is planning to make collaboration with CIMA (Chartered Institute of Management Accountants). Besides the College plans to collaborate with the National Stock Exchange of India Ltd.(NSE) to launch NSE Certified Capital Market Professional (NCCMP) course of 4-6 months duration to provide knowledge and awareness about the securities market and thereby upgrade the skills and proficiency of the students.

7. Value Education Lectures

In order to make our students excellent and competent 'finished products' VIC Team (Value Instruction Course) will organize the Guest Lectures for II year Degree students. There will be exclusive sessions for second year degree girls by experts. VIC Team

seriously considered the necessity of making the students role models in the society along with their academic achievements. It will organize 'Social Outreach Programme' (SOP) to make the students sensitize the life of economically and socially backward section of the society through visits to various NGOs.

8. Extension Programmes

Extension is an integral part of teaching and learning. The College always provides thrust on community development programmes. All extension programmes of the College are organized under one umbrella called 'Jayantian Extension Services' (JES). Center for Social Activities(CSA) is one of the organs of JES which plans the following programmes during the academic year:

a) JAGRUTHI

Jagruthi is an orientation program which attempts to expose Student volunteers to the present scenario of child labours, children in villages, the urban and rural poor, women who face social injustice and environmental concern. Every Saturday afternoon the volunteers will be given an opportunity to interact with NGO's, which makes them to reflect on these issues with special focus on what students could do to improve their situation. The students will make presentations in creative and enjoyable ways through dramas, street plays, painting and collages. As a result of this interaction, the ideas of service through sacrifice emerge in the hearts of students.

b) VIKAS KENDRA

Vikas Kendra is tuition program for educationally backward students. Vikas Kendra will be conducted nearby village government schools between 4.30 pm to 6.00 pm. This tuition classes will help the school children to perform effectively in their academics. The tuition classes will be handled by student volunteers in a planned and systemized manner in order to increase the effectiveness of learning. English, Maths and Science subjects will be taught through this programme.

c) Bhavishyajyothi - Children Education Sponsorship Programme

Children from economically poor families will be supported for their education (upto 10th class) by providing the basic educational needs. CSA Staff coordinator along with Core committee CSA volunteers conduct a survey nearby village schools and nearby areas. The sponsorship amount per child per year will be Rs. 3000 and the amount will be generated from the voluntary contributions from the Students in the college.

9. Consultancy Services

Consultancy is one of the major activities of higher educational institution through which faculty members apply their own expertise. The Department of Management Studies will explore the possibility of providing consultancy services to industries.

10. Integrated Management Information System

Though the College has exclusive software for accounting system, library management and attendance monitoring, the institution will develop a customized integrated software with the help of a company to make the campus into 'Smart Campus'.

11. Thrust on Research & Publications

The College has already approved Research Center in Social Work. The College has applied to the University for Research Center in Biotechnology. Although publishing research articles and presenting papers in various regional, National and global conferences is a regular feature of faculty members, the College will continue to encourage more faculty members to publish the papers in reputed National and International journals. The Department of Management Studies and MSW are planning to bring out the Journal.

12. National and International Linkages

The College has academic collaboration with Appalachian State University, USA. The College plans to establish more such linkages which are given below:

- To become an institutional member of International Network for Quality Assurance Agencies in Higher Education (INQAAHE)
- To become a member of Confederation of Indian Industry (CII)
- To explore the possibility of establishing the collaboration with foreign Universities.

PART B

1. Activities reflecting the goals and objectives of the institution

The main goal of the College is to mould students into integrated personalities who are intellectually competent, spiritually mature, physically strong and socially sensitive and to create a positive change in the society and contribute to the economic development of the nation. The institution focuses on four pillars in its educational pedagogy – Knowledge, Skills, Values and Attitude as given below:

Focus Areas	Activities
Knowledge	Through class room lectures, guest lectures, conferences and seminars, presentations, exhibitions, industrial visits, internships, projects, seminars, panel discussions, workshops, value added courses, current affairs sessions and use of ICT.
Skills	Conduct of intra and inter collegiate fests, literary and cultural activities and sports and games activities
Values and Attitudes	Conduct of regular Value Instruction Classes, guest lectures on 'holistic and emotional well being', annual life orientation programmes, Social Outreach Programmes, Special programmes of Center for Social Activities (CSA) and student extension activities of NSS & NCC

2. New academic programmes initiated (UG and PG)

The College has initiated B.Com- Vocational (Tourism and Travel Management) and Post Graduate Diploma in Management (PGDM) approved by AICTE.

3. Innovations in curricular design and transaction

Two of the faculty members of English Department have involved in revising curriculum of English in Bangalore University. One faculty each from Mathematics, Statistics, Humanities and Life Science Department has participated in Syllabus Revision Committee Meeting of the University. Department of Management Studies has introduced industry oriented PGDM Course and all the faculty members of the Department were actively involved in designing its curriculum.

4. Inter-disciplinary programmes started

The College introduced the following inter-disciplinary programmes besides offering 'Indian Constitution', 'Fundamentals of Computers', and 'Environmental Studies' as per the Curriculum of the Bangalore University.

- 1. Web Designing Course
- 2. Stock Market Management
- 3. Entrepreneurship Course in collaboration with Entrepreneurship Development Institute of India(EDII), Ahmedabad.

5. Examination reforms implemented

Though the affiliating college is only conducting University Examinations, certain reforms were initiated in conducting Term Examinations.

- Conduct of Term Examinations at par with the University Examinations that is seating arrangement and scheduling of examinations
- Monitoring of students who have scored low marks in term examinations

6. Candidates qualified: NET/SLET/GATE etc.

Mr. Balasubramainan of Department of Management Studies has qualified NET in June 2010

7. Initiative towards faculty development progamme

The Faculty Development Cell of the College organizes the in-house FDPs. The programmes were as under:

- Annual Strategic Planning Session: Faculty Development Cell has organized a special session on "Road map to Autonomy" at Christ College on 18/7/09. Dr. (Fr.) Thomas C. Mathew, Vice Chancellor of Christ University and TQM members of Christ University were the resource persons.
- Faculty Development Cell has organized workshop on "Autonomy Tasks and Challenges' on Jan 8th, 2010. Rev. Dr. Ambrose Pinto S.J, Principal of St. Joseph's College, Bangalore and Dr. Michael Rajamathi were the resource

persons who provided guidance and led the discussion on challenges and opportunities of autonomous institutions.

- Mr. Shivalinga Prasad and Mr. Vinod Joseph of Dept. of Management Studies have participated in a 20 day refresher course jointly organized by UGC Staff College and Canara Bank School of Management Studies, Bangalore University between March 29 and April 13, 2010.
- Three day programme on 'Preparation of presentation' in May 2010

8. Total number of seminars/workshops conducted

There were 78 seminars/workshops/guest lectures organized during the year 2009-2010 including one International Conference and four National level seminars. The details are given in **Annexure** – I

9. Research projects a) Ongoing: b) completed

NIL

10. Patents generated, if any

NIL

11. New collaborative research programmes

Bio-leaching of Coal for its energy enhancement- Dr. Elcey, C.D., Department of Life sciences Kristu Jayanti College and Prof Manoj M., Department of Physics, Christ University.

12. Research grants received from various agencies

Research project/ Aid in pipeline- A proposal submitted to the IT BT& Science and Technology Karnataka Govt. under Karnataka Funds for improvement of Science and Technology Infrastructure in Higher education institutions.

projects submitted from Department to Various Research Bodies

DRDO- Isolation, Characterization and vitro evaluation of biomedical applications. by Dr. Deepa MA.

DST- Characterization of varieties of Turmeric species ----using RAPD profiling Submitted by Dr. Elcey CD and Dr. Deepa MA under Canadian collaborative research initiatives

13. Details of research scholar

There are three students who undergo research programme in Social Work. The details are as follows:

- 1. Mr. Vasudeva Sharma N. V.
- 2.Ms. Anitha S
- 3.Mr. Nagaraj Naik M

14. Citation index of faculty members and impact factor

The list of articles published during the academic year 2009-10 is given annexure – II.

15. Honor/Award to the faculty: National and International

Award was given to Dr. Elcey C. D. on De-mineralization of coal by stepwise bioleaching- A study of sub-bituminous coal. A paper presented in National Seminar "Knowledge Utsav" organized by Jain University on 28th August, 2010.

16. Internal resources generated

Nil

17. Detail of departments getting assistance recognition under SAP, COSIST (ASSIST)/DST, FIST, and other programmes.

Application and proposal was submitted to Department of IT & DT for award of K.F. IST.

18. Community services

Extension activity is an vital part of educational pedagogy of the institution. The college plans and executes all its extension activities through the **Jayantian Extension Services** (**JES**). The various units of JES are NSS, NCC, CSA and CCPD(Center for Continuing Professional Development). The CCPD was initiated by the core idea of providing necessary professional training to school / college teachers and young professionals in the corporate. The extensions activities of the college during the academic year are enumerated in **Annexure** – **III**.

19. Teachers and officers newly recruited

The teachers recruited during the academic year 2009 - 2010 are given below:

Sl.	Name	Department
No.		
1	Mr. Reji Meprathe	Management Studies
2	Mr. Sen B Mathews	Management Studies
3	Ms. Dhanamala R	MCA
4	Mr. Naveen Kumar P	Psychical Education Director
5	Ms. Alice Aloysius	Psychology
6	Mr. Raghavendra Babu J	Commerce
7	Mr. Manjunath C V	Management
8	Dr. R Kayvashree	Life Science
9	Mr. Thomas Abraham	Life Science
10	Mr. Manjunath S	Management
11	Mr. Sarvesh B S	Humanities
12	Ms. Yamini Menon	Life Science
13	Mr. Jithu Tom eapen	Humanities
14	Gopakumar A V	Humanities
15	Abdulrahman Karnthedath	Commerce
16	Aby Augustine	Humanities
17	Prathap R	Computer Science

20. Teaching -Non-teaching staff ratio

The Teaching - Non-teaching staff ratio of the college is 3:1.

21. Improvements in the library services

The college has taken the following initiatives to improve its services during the year:

- Regular updation of online Journals
- Subscription of 27 more national and international Journals.

22. New books /journals subscribed and their value

In accordance with the college's commitment in building academic skills of students and college community, the college library serving as a center for learning by providing a place for students and faculty to actively engage in study and research. The library is an invaluable resource with **plus books**. The library is a regular subscriber to 203 print journals, 184 + e-journals and 1937 VCDs and other non books section on various subjects.

- The number of books added in 2009-10: 2060.
- Institutional membership to DELNET and BRITISH COUNCIL LIBRARY has also found to be helpful for both students and faculty members.

"he new books purchased and their value are as under:

Books

Books	Value (
	Rs.)
776	312737.00
238	535856
268	336532
290	107119
488	531227
	776 238 268 290

Journals

There were 44 Journals including 27 international Journals subscribed amounted to Rs. 1,07,971.00

23. Courses in which student assessment of teachers is introduced and the action taken on student feedback

The Continuous improvement is essential for effective teaching. There is systematic assessment of teachers during each semester for all the courses which is administered by Principal. The students' feedback is properly consolidated and recorded confidentially. Faculty are personally counseled by the Principal, if necessary.

24. Feedback from stakeholders

There is well structured feedback forms are formulated for students, alumni and parents. During the last working week of every semester, feedback is collected from every student. Alumni feedback is collected during alumni meet and when alumni visit the college. Parent feedback is collected during the Parent-teacher interface. The data are collated and analyzed which in turn suggests necessary changes to the Management / University. Feedback from the employers/industries is obtained informally when the teachers and students meet them during guest lectures, industrial visits and campus recruitment.

25. Units cost of education

The Unit cost of education is: 11018.00

26. Computerization of administration and the process of admission and examination results, issue of certificates

The College has exclusive software for accounting system, library management and attendance monitoring. The institution is in the process of customizing integrated software with the help of a software company to make the campus into 'Smart Campus'.

27. Increases in the infrastructural facilities

The college has always shown great interest in keeping up with the international standards in infrastructure and meeting the academic requirements of the students. In this academic year, a new auditorium named as "Blessed Kuriakose Elias Auditorium" with international standards with the capacity of 600 seats was built and inaugurated for the purpose of conduct of several academic and cultural programmes.

28. Technology up gradation

The following license software were purchased during the academic year 2009-2010.

Details of Software's used:

- 1. Windows 2003 Server Standard Edition.
- 2. RedHat Linux 9
- 3. Microsoft Office 2010
- 4. Windows XP
- 5. Norton Anti Virus Corporate Edition 8.1
- 6. Tally 5.4
- 7. Turbo C++
- 8. Microsoft Visual Studio 6
- 9. Lyceum
- 10. Java 1.3
- 11. Tally 9.0
- 12. SPSS
- 13. Microsoft Campus Agreement 3.4

29. Computer and internet access and training to teachers, non-teaching staff and students

The college campus is Wi-fi connected. Students have free internet access and the class room is e-classroom. There was a FDP for teachers on 'Preparation for Presentation'in May 2010 to impart training to teachers the preparation of attractive power point presentation. Imparting fundamental concepts knowledge to students is regular feature and is carried out during the second week of start of the UG I year classes.

30. Financial aid to students

The institution provides financial assistance to the economically and socially disadvantaged students to enable them to continue their higher education. The Complete and Partial Waiver of fee given to the students by the institution during the academic year 2009-2010 was Rs. 22,77,900.00 besides the Scholarship given by the Government.

31. Activities and support from the Alumni Association

The institution has a separate alumni association for the graduate and postgraduate students. It is an extended community of the college which strengthens the Jayantian family relationship and widens its network to the outside world. The institution values the feedback of the Alumni to update its programme. The alumni contribute significantly to the growth of the institution in terms of assisting students in various competitions as judges and supporting the Placement Cell for recruitment. The alumni frequently visit the campus to empower the present students in academics and share their experience to orient students with the latest trends in the Industry. They involve in community development services through sponsoring the girl children.

32. Activities and support from the Parent-Teacher Association

The annual Parent-Teacher Meet provides a platform to enhance overall development of the students. The Meet is conducted in two sessions. The first session is of formal programme and the second session involves individual class animator-parent interaction. During the formal programme the Principal shares the activities and achievements of the college followed by interactive session. The parent interacts with all the class animators and subject teachers in the second session. During the year 2009-2010, the Meet was held on March 20, 2010. More than 175 parents attended the meeting and had discussion about the academic and co curricular improvement of their wards with the class animators and heads of various departments.

33. Health services

The College has first aid center and collaboration with Ebenazer hospital.

34. Performance in sports activities

The due importance is given to sports and games activities to transform the students into integrated personalities. The achievements in sports and games during the academic year are given in **Annexure** – **IV**.

35. Incentives to outstanding sportspersons

The institution constantly encourages sports persons by recognizing their achievements. Total scholarship amount provided to students on the College Day was Rs. 1,01,690.00

36. Student achievements and awards

The achievements in academic, Co-curricular and literary and cultural activities are given in **Annexure** – **V**.

37. Activities of the Guidance and counseling unit

There is Personal Guidance Center with full time Counsellor. There is mentoring system in which faculty guide mentees in their personal and academic matters, and maintain a record of their academic and personal profile. The mentor directs the mentee to the college counselor for guidance if needed.

38. Placement services provided to students

In today's business world the only thing that remains constant is change. It implies that managers need to, not only adapt effortlessly to change, but also play key roles in leveraging it for organizational advantage.

Centre for Placement and Corporate Relations (CPCR) believes in building such managers who would build businesses for you. The Centre conducts counseling for career growth, development and keeps students abreast of current opportunities that are open to them. The Centre does not hesitate to go those extra miles to ensure that all students are placed in exciting jobs and are on the right track to a bright future. Besides, effective

interaction with corporates through Institution Industry Interface (III) Cell enhances placements. CPCR prepares placement brochure for MBA and MCA students. The Placement Cell has facilitated the placement of 90% of the students registered with the cell.

39. Development programmes for non-teaching staff

The College regularly equips its administrative staff who are the face of the institution. The following programmes are conducted during the year 2009-2010.

40. Good practices of the institution

- Annual Strategic Plan Meet (ASAP)
- Continuous Students' Performance Monitoring System
- Theme for every academic year
- Innovative teaching-learning methods
- Value Added Courses
- Current Affairs Forum
- Enhancing skills through intra and inter departmental fests
- Community Development Programmes
- Research Promotion Programmes and in-house publications
- Continuous Career and Placement Guidance

41. Linkages developed with National /International, academic /research bodies

INTERNATIONAL COLLABORATION

o The College has widened institutional collaboration, faculty and student exchange programmes with Appalachian State University, USA and Potsdam University, Germany. As part of the faculty exchange programme, Fr. Augustine, Head of the department, Department of Computer Science of Kristu Jayanti College went to Appalachian University, USA for one semester and conducted various classes and programmes.

- Mr. Dylan Arild Waller, undergraduate student from Appalachian University has pursued one semester course offered by Management, Commerce, and History departments.
- A Cultural exchange programme was offered for Potsdam University students and faculty from Germany by the Department of Tourism and History in September 2009.

42. Action Taken Report on the AQAR of the previous year

The College submits its AQAR for the first time as the assessment and accreditation was carried out during the academic year 2009-2010.

43. Any other relevant information the institution wishes to add

- The College has Group Health Insurance plan for all its staff members
- The college, from its inception, has given importance to current affairs in its curriculum. One hour per week is allocated for current affairs in the time table. The weekly event planned in each class, involving student groups, creates awareness and updates students on various current events and issues through student presentations, quizzes, debates and group discussions. It is monitored by respective class animators who also submit a report at the end of each semester to the Principal.
- To improve the skills of the students in their respective discipline and foster teamwork and leadership quality the various departments of the College organizes the intra and inter departmental fests. The details of the fests are given in Annexure – VI.
- Several training programs were organized to enhance the skills of the students and also to meet the changing requirements of the industry by various departments.
 The list of the training programmes are described in Annexure VII.

- The Entrepreneurship Development Cell (EDC) was initiated with a vision to promote Entrepreneurship amongst the students and to create an entrepreneurial culture in the institution by conducting Entrepreneurship Motivation Camps, Entrepreneurship Awareness Camps and Entrepreneurship Development Programmes.
- o In addition to regular academic programmes, College has offered various certificate and Value added courses during the academic year 2009-2010. The courses offered reflect contemporary educational needs relevant to regional / national deeds. The list of courses is provided in **Annexure VIII**.
- O The College in-house publications include 'Quadrangle' from the Journalism Department, 'The Crest' from the Department of Management Studies and 'Kristeen' the college annual Magazine are the publications from the college. Department of Life Sciences has released a newsletter 'Synapse' in March 2010.
- To emphasize the importance of inculcating good ethical values, standards, ideal behavior, and responsibilities among students and to help them to attain professional and personal success in their life endeavors, Value Instruction Course(VIC) was initiated in the year 2005. VIC courses conducted in the academic year 2009 -2010 focused on Self Esteem, Life Skills, Personality Development, Preventing you from risk behavior, Leadership and effective communication and spiritual development. Social Outreach Programmes(SOPs) were organized to various NGOs such as Home of Hope, DSS Infant Jesus Home and Ashalya for all second year UG students to sensitize the students about the suffering of the underprivileged and marginalized persons of the society. In collaboration with the Women Empowerment Cell, VIC organized a guest lecture on "Personal health" for II year UG [girl] students. Dr. Annama, reputed Gynecologist, delivered the lecture, and led the discussion. Weekly prayer meetings, monthly Holy Mass, Annual Retreat and Rosary in the month of October, Lenten way of the cross were also organized for the Catholic Students. Annual Life Orientation Programme was organized between February 26 and February 27, 2010. Independence Day, Republic Day and Teachers' Day were celebrated.
- Women Empowerment Cell organized programmes exclusively for women and International Women's Day was celebrated. Entrepreneurship training in making handicrafts was provided to all II year students.

PART C

Outcomes achieved by the end of the year

- Introduction of B.Com- Vocational (Tourism and Travel Management) and Two year
 Management Programme Post Graduate Diploma in Management (PGDM) approved by AICTE
- Empowerment of teachers by encouraging them to participate in various conferences with more publications in reputed journals
- Initiation of more community development programmes
- Development of customized integrated software

PART D

Plans of the HEI for the next year

- Obtaining Autonomous Status to the College
- Students interaction with Indian Visionaries
- Innovative new academic programmes (4 year B.S. Programme and Research Center for Bio-technology)
- Enterprise Resource Planning
- More Community Development Programmes
- More Thrust on Research and Publication
 Plans to start publication of a Journal by Department of Management Studies.
- Exploring the possibility of more international linkages
- Conducting collaborative training programmes
